THE AMERICAN UNIVERSITY OF PARIS
GIVING REPORT 2019-2020

A CLOSER LOOK

Community giving is the cornerstone of AUP's success. As a non-profit institution, AUP relies on generous donations to provide scholarships, faculty funding and building upkeep, and to ensure that AUP's historically small and intimate campus has the power to grow and serve students and scholars from around the world.

With deep gratitude, we are pleased to report how your gift impacted AUP in 2019-2020.

TOWARDS

ACADEMIC SUPPORT

AUP faculty and staff work around the clock to support students, whether it's designing forward-thinking curricula, conducting ground-breaking research, or running programs that offer students support when they need it most.

Support for academic centers, as well as AUP's unrestricted fund, provide staff and faculty with the resources to serve students and the AUP community in and beyond the classroom.

€353k

TOWARDS

SCHOLARSHIPS

Studying in Paris offers AUP students unparalleled access to the world at large, allowing them to explore their chosen fields of study with greater depth and consideration for diverse perspectives. Scholarships funded by AUP donors make that journey possible.

Named scholarships, study trip grants, as well as our general scholarship fund, supported %45 of students in the past year alone.

TOWARDS

CAMPUS GROWTH

AUP was born in the heart of the 7ème arrondissement of Paris, and from its humble roots in the basement of the American Church in Paris, has built an academic home for international students.

With new developments, like the Quai d'Orsay Learning Commons and the Monttessuy Center for the Arts, your contributions help AUP to grow and welcome students, scholars, artists, leaders, and change-makers to do exceptional work right here in Paris.
