Alternative back-up major in a traditional field: _____

The Self Designed Major Committee would like to publish project information, as well as participant profile information, on the AUP website. If your proposal is accepted and if you agree, your information will become part of the University profile for self-designed majors. Refusal to participate will **not** impact the committee decision with regards to your project.

Do you agree to the eventual publication of your project/profile information on the website? **Please check one:** Yes No
