You may add test results, if they are not already listed below, or remove optional scores that you do not want included in your record. For any scores that you report here, please be sure to have official results sent from the testing center to AUP.

**English language test**

Courses at The American University of Paris are taught in English, so entering students must demonstrate sufficient English fluency. If English is not your first language, we require that you submit one of the following tests and that the results are not older than two years. If an official result is not listed below, you are required to upload a scan of your score report in the *Upload Supporting Documents* section. Entering the information below is optional.

To schedule a test in your area, please contact one of these language test organizations:

- \* **TOEFL** (Test of English as a Foreign Language). To have your results sent directly to The American University of Paris, use our institutional code 0866.
- \* **TOEIC** (Test of English of International Communications) To have your results sent directly to The American University of Paris, use our institutional code 0866.
- \* **IELTS** (International English Language Testing System)—Academic Option
- \* Cambridge English - First, Advanced, or Proficiency level

The English language test requirement is waived if you are applying from Australia, Canada, Ireland, New Zealand, South Africa, the United Kingdom, or the United States where you have studied in an all-English curriculum for at least two years, or where you have lived for at least five years. We reserve the right to request English test results from any applicant.

**Standardized tests**

Standardized tests, such as the GRE, GMAT, or LSAT are required for admission to most of the graduate programs at The American University of Paris.

Exemptions from the GRE requirement are given to students from non-American universities and institutions, applicants with an M.A. degree, and mid-career applicants with a minimum of five years professional experience following graduation. Although you may qualify for an exemption of the GRE may be optional for your program, a strong GRE score report can enhance the success of your application.

- International Affairs—GRE required
- International Affairs, Conflict Resolution and Civil Society Development—GRE required
- Diplomacy and International Law—GRE or LSAT\* required

\*Request that an unofficial LSAT score report be sent in a sealed envelope to your current mailing address. Forward the report, unopened, to the AUP Admissions Office.

## Transcripts

To successfully complete your application, we require that you submit academic transcripts for the last three years of your education.

There are two options for you to submit your transcripts:

### 1) Unofficial Transcripts

Should you seek a rapid admissions decision, submit unofficial transcripts by uploading them in the "Upload Supporting Documents" section of this application. Your application will be evaluated based on these copies.

**Please make sure that the unofficial transcripts are in PDF format and are scanned at a legible quality.**

If you are admitted to AUP, you will be required to submit official final transcripts as soon as they become available. Complete official transcripts, including all coursework completed before coming to AUP, must be received before you begin courses.

### 2) Official Transcripts

Have official transcripts sent directly from your school to this postal address:

The American University of Paris  
Admissions Office  
5 boulevard de La Tour-Maubourg  
75007 Paris  
France

In North America, you may use the address below. Note that it will take up to 3 more weeks for your documents to reach the Admissions Office in Paris.

The American University of Paris  
700 North Colorado Boulevard #502  
Denver, CO 80206  
USA

If your school uses a secure third party provider, such as ScripSafe, to send digital transcripts, we will accept those in lieu of a paper copy. The official, verifiable digital transcript should be sent to [application@aup.edu](mailto:application@aup.edu).
