* = Required Field

Dear Applicant,

Welcome to the AUP Transfer application.

Please complete each section of the application and submit all required documents. Although not all sections and fields are marked as 'mandatory', your application cannot be fully evaluated without completing all relevant fields, so please complete the application thoroughly.

To process your admission decision as quickly as possible, you may submit *unofficial* academic transcripts with your application. Should you be admitted, however, you must eventually submit official transcripts prior to enrolling at AUP.

We are delighted in your interest in studying at The American University of Paris. Best wishes in the application process.

Sincerely,

Tim Rogers
Vice President and Director of Enrollment Management

* = Required Field

You may add test results, if they are not already listed below, or remove optional scores that you do not want included in your record. For any scores that you report here, please be sure to have official results sent from the testing center to AUP.

Required test

We require that you submit one of the following English proficiency test results dated within the last two years. If an official result is not listed below, you are required to upload a scan of your score report in the *Upload Supporting Documents* section. Entering the information below is optional.

- * TOEFL (Test of English as a Foreign Language) To have your results sent directly to The American University of Paris, use our institutional code 0866.
- * TOEIC (Test of English of International Communications) To have your results sent directly to The American University of Paris, use our institutional code 0866.
- * IELTS (International English Language Testing System)—Academic Option
- * Cambridge English - First, Advanced, or Proficiency level

The English language test requirement is waived if you are applying from Australia, Canada, Ireland, New Zealand, South Africa, the United Kingdom, or the United States where you have studied in an all-English curriculum for at least two years. You may request a waiver if you have studied for at least four years in an all-English curriculum in any other country. The waiver request will be reviewed when all other application requirements have been submitted. We reserve the right to request English test results from any applicant.

Optional tests

ACT and SAT scores are fully optional and are used to pre-place admitted students into the correct level of English and Mathematics classes, if needed. They may also strengthen your application for admission. Our SAT institutional code is 0866 and our ACT institutional code is 5295.

* You will not take the SAT or ACT? That's okay. It will not impact your application for admission and, if necessary, you will take placement exams during Orientation week.

* You have ACT or SAT scores listed that you do NOT want submitted with your application? You may remove existing scores. However, depending on the courses you have already taken, you may be asked to either submit them again or take placement exams during Orientation week.

Waive Access to Recommendations

Under the terms of the Family Educational Rights and Privacy Act (FERPA), after you matriculate you may request view access to the recommendations submitted on your behalf, unless you waive your right to do so. Should you chose to not waive your right, please uncheck the box below. If you waive your right, please leave it checked. However, please note that some recommenders may be hesitant to issue a recommendation if it does not remain confidential.

Waive Access To Recommendations

Recommendation - TBD

Each recipient will receive an individual email from you. This will not be sent as a group email. Your recommender(s) will then be prompted to submit their recommendation via our portal. Please make sure to hit the "send invitation" button in the top right corner of each recommendation once you have entered the recommender's full information.

Transcripts

To successfully complete your application, we require that you submit academic transcripts for the last three years of your school career.

There are two options for you to submit your transcripts:

1) Unofficial Transcripts

Should you seek a rapid admissions decision, submit unofficial transcripts by uploading them in the "Supporting Documents" section of this application. Your application will be evaluated based on these copies.

Please make sure that the unofficial transcripts are in PDF format and are scanned at a legible quality.

If you are admitted to AUP, you will be required to submit official final transcripts as soon as they become available. Complete official transcripts, including all coursework completed before coming to AUP, must be received before you begin courses.

2) Official Transcripts

Have official transcripts sent directly from your school to this postal address:

The American University of Paris
Admissions Office
5 boulevard de La Tour-Maubourg
75007 Paris
France

In North America, you may use the address below. Note that it will take up to 3 more weeks for your documents to reach the Admissions Office in Paris:

The American University of Paris
700 North Colorado Boulevard #502
Denver, CO 80206
USA

If your school uses a secure third party provider, such as ScripSafe, to send digital transcripts, we will accept those in lieu of a paper copy. The official, verifiable digital transcript should be sent to application@aup.edu.

Supporting Documents

The following documents should be uploaded to the "Supporting Documents" section of this application.

1. English Proficiency Test

Students who have not studied in an English language institution for the past 4 years are required to submit a proficiency test result taken within the last two years. The Admissions Committee reserves the right to request scores from any applicant. [Find out more.](#)

2. Extracurricular Activities & Work Experience

Please list your principal extracurricular, community, volunteer and family activities. Include any scholastic or community honors you have earned and any part-time or full-time jobs you have had.

3. Essay

There are two required essays. Please include both in the same file. The file should be uploaded in PDF format.

First, in approximately 500 words, in English, please answer one of the following five general essay questions.

General essay topics (choose one):

1. Some students have a background, identity, interest, or talent that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.
2. The lessons we take from obstacles we encounter can be fundamental to later success. Recount a time when you faced a challenge, setback, or failure. How did it affect you, and what did you learn from the experience?
3. Reflect on a time when you questioned or challenged a belief or idea. What prompted your thinking? What was the outcome?
4. Describe a problem you've solved or a problem you'd like to solve. It can be an intellectual challenge, a research query, an ethical dilemma - anything that is of personal importance, no matter the scale. Explain its significance to you and what steps you took or could be taken to identify a solution.
5. Discuss an accomplishment, event, or realization that sparked a period of personal growth and a new understanding of yourself or others.

Second, answer the question specifically about AUP in under 300 words.

AUP specific essay question:

"What attracts you the most about coming to The American University of Paris and how do you believe the experience of living and studying in Paris will change you?"
