Project Summary: Clubs night / Speech night was an event to help promote clubs at AUP and allow students the opportunity to talk to different club leaders and sign up for the clubs that they were interested in. We had over 20 clubs represented. During the night, candidates of the Fall 2017 elections also had a speech night to better their campaign.

Explain How Your Project Will Benefit the AUP Community: Clubs night helps build a stronger AUP community and gives students the opportunity to learn about the extra-curriculum activities AUP has to offer. It is also an opportunity to sign up and join the club of interest.
