  o Involved the AUP Community, especially the graduates – it is a stepping stone to getting the graduate students involved in the community.
  o Refreshing look through lifestyle, culture, and identity through the lens of the millennial generation.
  o Out of the ordinary: you can pull stuff out, frame it, and put it on your wall.
  o QR code on each article to view all of the images and stuff that didn't make it into the magazine.
  o Why 200 copies?
    ▪ Less would have cost more
ASM is looking to include this in their budget in their future

How did you pick who was included in the magazine?
  ▪ I picked people according to their voices

Did anyone have a particularly larger contribution than others?
  ▪ I did because it is my senior thesis, however, Carenina did illustrations so her work is also all throughout the magazine

This year, you're the only person who wanted to do this. If next year, 3 people want to do it, how would we go about that? Because it would get very expensive.
  ▪ If there are multiple people, they will have to present to ASM and ASM will then pick the student.

Riki: Motion to allocate **1,500 EUR**

Debate

Launch: March 28th

Marly: Motion to amend the original motion: to create an organization that would oversee the creation of this journal in future years.

Amendment withdrawn.

Motion (on the allocation of 1,500 EUR) passed, budget approved

13:35 – Senate Adjourned
