    - Fall ’18 Budget Request – April 18
- Senate Procedures
  - Leona – make a doc to prepare for a more focused discussion
  - Jasmine – do people want to do this
  - Leona – can this happen on a Wednesday
  - Danica – Get feedback from senators who have resigned
  - Marc – It doesn’t have to happen on a Saturday- but it will not be possible to do in just half an hour – its only going to be useful if people aren’t engaged.
  - Vote of who in favor to meet to discuss senator procedure
    - Majority yes.
  - Chiara – would people be willing to give up a reading day?
  - Jasmine - Maybe 18h30 on a weekday – with or without new senators
    - Maria – with, since they will be taking on these procedures
  - Marc – imagined a 2-hour session with small units to discuss intimately and then come together
    - Involve new senators as shadow people.
  - Danica – don’t involve new senators in case it scares them off
    - There’s no point wasting 2 hours if people aren’t going to speak their mind
  - Maria – If we want to hit structural issues, it might be good to get some fresh eyes on the issue
  - It’s about putting rules in for future senate that will facilitate the functioning of the student governing body
  - Dhouha – what are we even talking about doing?
