PAYMENT PLAN OPTIONS

The American University of Paris is sensitive to the financial pressure that may arise over the payment of each semester's tuition. As a result, the University has developed two payment plans to meet different students' needs. These options are available only to full-

time students. Should you wish to pay for more than one semester at a time, please contact Student Accounting Services as you may be eligible for a rebate.

SEMESTER PAYMENT PLAN

Students must pay in full prior to the start of each semester. The following payment deadlines pertain to each semester:

Students who do not pay for the entire semester's tuition prior to the deadline are charged a €250 late payment fee and need to contact the Student Accounting Services Office. Note that all American citizens borrowing U.S. federal loans are automatically on a semester payment plan. [Learn more about U.S. loans](#) at AUP.
