HOW TO BOOK AN APPOINTMENT

To book an appointment, go to the search engine of the welcome page.
Google translate the specialty (médecin généraliste for GP, Dermatologue for dermatologist, etc.)

Select the specialty in the scrolling menu

Enter the town or the zipcode (75007)

Click on "Rechercher" and you will see the results.

Filter the availabilities (Disponibilités) and the language spoken (Langues parlées):

Once you chose the practitioner, select the location ("Lieu de consultation") if the doctor has several practice, and the reason to consult "Motif de consultation" and the timeslot "Sélectionnez votre rendez-vous"

Confirm the appointment :

Confirm if it's for you ("pour moi") or a relative or a close friend ("Ajouter un proche")

Click on "Confirmer le rendez-vous"

You will receive a confirmation email.

To start a new search, click on the top left of the page :

HOW TO BOOK A VIDEOCONFERENCE (exact same fee as a physical consult)

Enter the type of doctor you're looking for in the search engine.

If the doctor can work by videoconference, it will be specified as follows :

Choose the date and timeslot :

Connect to your account and confirm the appointment.

Enter your credit card details :

A screenshot of the payment and confirmation form. At the top, there are logos for VISA, Mastercard, and American Express. A red "1" is next to the American Express logo. Below the logos is a section for "Numéro de carte bancaire" with a text input field. Underneath are two smaller input fields: "Date d'expiration" (with "MM / AA" as a placeholder) and "Code de sécurité". Below these fields, there are two checkboxes. The first, labeled with a red "2", is "J'autorise Doctolib à enregistrer ce moyen de paiement pour mes prochaines consultations en vidéo". The second, labeled with a red "3", is "Je consens à réaliser une consultation vidéo.". At the bottom, there is a blue button with a white lock icon and the text "CONFIRMER LE RENDEZ-VOUS", labeled with a red "4".

To access the prescription the doctor sends you, go to your profile on the top right, in "Mes Documents":
Click on "Afficher les documents":

And to upload it, click on "Téléchargez". You can show the digital prescription to the pharmacy.

GOOD LUCK !
