The south of France was a privileged destination for the modern artists in the 20th century. The mythical trips of Matisse and Derain, of Picasso and Braque to this region were key for the evolution of Fauvism and Cubism. The trip will propose halts in three Mediterranean towns – Nice and Antibes – where major artists of the 20th century like Henri Matisse, Pablo Picasso, Nicolas de Stael chose to reside for some time; the artists who founded major contemporary movements such as Nouveau Realisme and Supports/Surfaces also had their attaches in the region. We will seek to understand, through first-hand contact with this environment, the motivation for some of the most challenging formal innovation in 20th century art.

A student may sell their ticket or seat to someone else and the Cultural Program Office will do its best to help the student find a buyer; however, the financial transaction is solely the student's responsibility.

CARTE DE SÉJOUR

Any student who registers for a cultural excursion or study trip that involves travel outside of France and who does not have the proper documents to travel at the date of the study trip, or who does not correctly fulfill the Carte de Séjour requirements by providing the necessary documents to the Student Immigration Services Office at the start of the semester and is, therefore, unable to travel, will be held responsible for the cost of the trip. No exceptions to this rule. See the Student Immigration Services Office if you are not sure that you have the proper documents to travel and notify the Cultural Program Office upon registration.

STUDY TRIPS – CP POLICY INFORMATION

VISAS

Students are responsible for knowing the visa requirements for their nationality for travel outside of France. If a visa is required, the Cultural Program Office can provide a letter that attests to the student participating on a university sponsored tourism trip. This can be taken to the embassy or consulate of the relevant country as part of the application to obtain a visa. It is highly advised, once registered for a trip, to contact the relevant embassy or consulate as soon as possible to confirm the visa requirements, and the cost and time needed to deliver the visa. Any student who is unable to participate in a trip because of failure to complete visa arrangements will be held responsible for the cost of the trip.

CONDUCT

Any behavior on Cultural Program study trips or excursions that violates either the University's Standards of Conduct or local legislation is prohibited and can result in disciplinary action. In extreme cases, students may be asked to leave the group and return home. See The American University of Paris 2022-2023 Handbook for more information.
