- Candidates are required to attend speech night (or to send a 3-5-minute video to sga_elections@aup.edu by 3pm Paris time on the date of Speech Night in order to meet the eligibility requirements). Each candidate must explain why she or he is a suitable candidate to deliver a graduation speech, providing an overview of the themes they would like to develop in the speech (not a draft of the speech).
- The minimum GPA is required to apply for these positions. See the Election Task Force for more information;
- The Speakers must be present the morning of the Commencement Ceremony, and arrive at the venue at 8:30 am.

Applications and Nominations:

- Only seniors and graduating students are eligible to vote for their respective candidates;
- Graduating students and staff are encouraged to nominate graduating students to run for the Senior or Graduate Speaker positions.

Once Elected:

- After each speaker has been elected, he / she has the opportunity to revise and edit his or her speech. Prior to the Commencement Ceremony, the speakers are asked to present their speech to a panel of coaches to practice his or her delivery, pace, and timing. The final speech can last a maximum of 7 minutes.

Annex III - Senate Procedures

To allow for AUP's student Senate meetings to be effectively and orderly, they will be chaired by the Vice-President of the Undergraduate Student Council (USC), who will keep order through the following set of regulations, based on the universal assembly guidelines of Robert's Rules of Order.

Agenda

Throughout the week up until Sunday, the chair (usc_vp@aup.edu) will receive topics for the agenda of the next meeting. This is a way for senators and committees to reserve speaking time to introduce certain issues or ideas. The agenda will be distributed on Mondays, two days before the Senate meeting, which is held on Wednesday mornings in the Grand Salon. Occasionally, this agenda will be accompanied by documents that senators are required to read in advance, in order to make informed decisions about student matters and to save time on informatory questions during meetings.

Committees

Aiding the Senate in their endeavors to change university life are the university's committees, which work throughout the year to provide the Senate with information and recommendations on certain issues. The committees will be managed. A full list of the committees can be found on the SGA website (<http://sga.aup.edu/gov/committees>). Whenever a committee reaches a conclusion on an issue, it hands a report to the Senate assembly which, taking into consideration the committee's advice, can make an informed decision on the matter.

Meeting Minutes

Minutes will be kept of each meeting by the USC or GSC Communications Director and can be found on the website of the Student Government Association (www.sga.aup.edu) under the header 'Information'.

Senate Rules of Order

The following is a set of rules that all senators are required to know and respect:

1. Introducing business
 - 1.1. Before any subject is open to discussion, a motion must be made by a senator who has the floor. Then, the motion must be seconded by another senator and stated clearly by the chairman, after which the debate will be opened.
2. Obtaining the Floor
 - 2.1. To gain the right to speak, senators must raise their hand, after which the chairman will add them to the speaker's list, or allow them to speak straight away. When allowed to speak, one addresses the chair after which speech should be directed at the chair, to keep discussion formal. To second a motion, one does not need to stand up. While a senator speaks, he / she may not be interrupted, except by a Question of Order or a Question of Privilege. Personal attacks should be avoided when speaking; it is not the person but the motion that is the subject of the debate.
3. The Previous Questions
 - 3.1. To demand the Previous Question is to move to end the debate on an issue. It requires a two-thirds majority and puts the discussed motion to an immediate vote. In the case of a committee report, if the motion carries, the chair will allow the reporting member to close the debate.
4. Voting
 - 4.1. Voting, unless indicated otherwise, happens by simple majority and a show of hands. A simple majority is defined as 50% plus 1 of all senators present for the vote. For principal motions, concerning important issues or

constitutional matters, the chair may decide to order a vote by roll call, which allows for each senator's decision to show up in the minutes. In case of a tie vote, the motion fails.

5. Changing a Motion
 - 5.1. The person who puts forward a motion can choose to modify or withdraw it during the debate. If there is an objection to this, the chair will put the request to a vote.
6. Objection
 - 6.1. When a motion carrying a new subject is first introduced, senators can object to having the assembly consider it. The objection can be made by directly addressing the chair. The chair will then immediately put the objection to a vote and if two-thirds of the senators vote in favor of the objection, the subject is dropped. An objection of consideration is only allowed when a motion is first made.
7. Reconsideration
 - 7.1. A motion to reconsider a vote can be made before the end of the meeting and requires a two-thirds vote. If the meeting has passed, senators can put forward a motion to rescind, allowing the Senate to annul a decision made in a previous meeting.
8. Question of Order
 - 8.1. To put forward an objection concerning the violation of a rule, one may interrupt debate and rise, addressing the chairman with a request for a point of order. A motion under discussion is subject to a point of order if it conflicts with Senate regulations or the Senate's constitution.
9. Question of Privilege
 - 9.1. Pertains to the rights and privileges of the assembly and can be put forward in case of disorder in the room (opened windows, loud noise, or other disturbances), in the same way that a Question of Order is put forward.
10. Written Motions
 - 10.1. Principal motions, such as amendments to the constitution or committee reports, should be submitted to the chair in writing, at least two days in advance of the meeting. Senators may ask to have these documents read once to the assembly before it votes on them, in which case the chair will call for the USC Communications Director to read them aloud, if none of the Senators object.
11. Debate Decorum
 - 11.1. Senators are expected to dress formally for every Senate meeting. During debate and while the chair is speaking or while the assembly is engaged in voting, no one is allowed to disturb the assembly, either through

whispering or other noises. The use of electronic devices is not permitted during Senate meetings, unless allowed by the chair.

12. Open and Closed Senate Sessions

12.1. The Senate's de facto operation is to be open to everyone, but the Chair can decide to close Senate at their discretion. A closed Senate consists of Senators only and those persons allowed by the Chair.

12.2. The duration of the closed Senate will be decided by the Chair.

Quorum and Attendance

Senate meetings will begin at the request of the Chair. To bring a vote, quorum must be met before the vote. Quorum is a simple majority of the Senate present, and quorum will be assumed to hold until the Senate meeting ends unless a Senator or the Chair requests a new call for quorum before a vote. Senators themselves must report a failure to attend meetings to the chair (usc_vp@aup.edu). Failure to attend a total of three Senate meetings leaves the senator subject to expulsion by Senate vote.

Annex IV - Activities, Clubs & Organizations (Activities and Clubs Committee)

1. Committee Functions and Formation

1.1. The Activities and Clubs Committee (ACC) exists to support student initiative at The American University of Paris.

1.2. The ACC helps clubs plan events, prepare budget requests and presentations, and organize club meetings. The ACC also showcases clubs and student initiatives at various university-wide events.

1.3. By helping clubs and student leaders define their goals and formulate well-researched and appropriate budget requests, student initiatives can be presented to Senate more clearly and with the support of the ACC, which limits misuse of student funds.

1.4. Members of the committee are chosen voluntarily and the committee chair is voted by the committee's members. The SGA Treasurer is an essential and obligatory part of this committee, due to the nature of its function. All ACC members will be required to attend office hours, assist in preparing all necessary documents for Senate, present requests at Senate, and the use of designated ACC email address. The Freshman Representative is automatically a member of the committee and is exempt from presenting budget requests at Senate.

1.5. The ACC serves to make students accountable for their purchases and requests. Students are required to sign contracts for trips paid for by the Senate, stipulating that they must pay a cancellation fee, or the entire cost of their trip if they fail to cancel in advance.

2. Extracurricular Activities

- 2.1. Any student wishing to organize an activity to be funded by the SGA Activities budget or Clubs budget is required to meet with the Activities and Clubs Committee during their office hours before the Senate agenda has been compiled.
- 2.2. This is also applicable to sports teams and academic department events. Sports clubs at AUP have their own budget not governed by Senate. However, if they need more than what is allocated through that budget and want to request funds from SGA, they must first obtain an agreement from the sports coordinator, and then meet with the ACC. Academic departments who wish to host events financed by Senate should make an effort to contribute financially.

3. Clubs

- 3.1. Club establishment procedure
 - 3.1.1. A student wishing to found, renew or continue a club must complete
 - 1) an online registration form, including a mission statement, and 2) a plan of action online, at the start of each semester in order for the club to be considered an active club. Within these forms, the club leader must provide:
 - 3.1.1.1. A list of members with their position and contact information
 - 3.1.1.2. A schedule of planned activities / strategic plan for the semester
 - 3.1.1.3. The name of the faculty advisor(s) willing to be involved the ACC then validates the form, approves the club and invites the club to meet with either the Student Leadership Office or the ACC during office hours
 - 3.1.2. To be able to start up a club at AUP, the club must be:
 - 3.1.2.1. Open to all students
 - 3.1.2.2. Hold regular meetings (weekly or every two weeks)
 - 3.1.2.3. Adhere to its mission statement and plan of action set out in the online application forms
 - 3.1.2.4. Submit all budget requests to the ACC
 - 3.1.2.5. Additionally, the club must not be in contradiction with the university's mission and values
 - 3.1.3. The student who completes the online registration form will be considered the club's leader unless the members of the club decide otherwise. They should notify the ACC and the Student leadership office of change in leadership immediately.
 - 3.1.4. The leader of each club will be given access to an official AUP club email address as well as to the AUP club shared drives. Each club

has its own folder on these shared drives and enables club leaders to see how their predecessors functioned and pass on their own organizing skills to the next leader.

3.2. Club Obligations

- 3.2.1. To maintain status as an official AUP organization, the club must participate in Clubs Night at the start of each semester; participate in the two to three annual events for all clubs; maintain a record of budgets, activities, events, membership and inventory, all readily available to the ACC in their club's folder in the AUP shared drives.
- 3.2.2. Disbandment of a club can be initiated by the ACC, the Executive Board, and / or SGA Senate. The Senate must have three-fourths approval for the disbandment of a club. Disbandment can take place after one month's absences of a club activity and failure to attend Activities and Clubs Committee meetings, to be voted on in a simple majority vote.

4. General Procedure

- 4.1. Students are to present themselves during the ACC open office hours that are held two periods per week in the student lounge in Combes on the third floor. Meeting times will change per semester, based on the ACC members' class schedules. Prior to the meeting, students have to fill out an online budget request form with maximum possible detail including a proposed budget. For the meeting, they should be prepared to present their project to the ACC. This may include a demonstration of how student leaders and participants have personally put into their project.
- 4.2. Students are required to meet in person, during office hours or some other time agreed upon by members of the ACC, at least 48 hours before their requests are to be presented in Senate.
 - 4.2.1. Anyone requesting funds greater than €1,500 must present their request to Senate at least two weeks prior to when their money is needed, therefore giving Senate at least two weeks to consider the request.
- 4.3. Any club wishing to request funds must be officially registered as an active club during the semester.
- 4.4. After meeting with the ACC, a student or club will always have the option to disagree with the committee's recommendations and can then present directly to the Senate. This should not be standard procedure, however, as the ACC's goal is to support student initiatives. In all cases, the senators make the final decisions on budget allocations. No student or club can present their proposal to Senate without having met with the ACC

following their procedures and without having attempted to resolve any and all disagreements.

- 4.5. Students are required to meet in person, during office hours or some other time agreed upon by members of the ACC, at least 48 hours before their requests are to be presented in Senate.
- 4.6. The ACC will present all agreed budget requests at Senate; students are not required to do so. However, students are welcome to present their own requests if they so desire. It is recommend that, for each request, at least one associated student, club member, or faculty advisor attend the meeting to answer any questions to may arise.
5. Budgeting Process
 - 5.1. The ACC aims to help realize student activities, clubs, and events by minimizing expenses and presenting these projects to the senators. Students with projects should expect the ACC to try to reduce costs when possible as well as demonstrate how the project benefits the AUP community as a whole.
 - 5.2. If a requested or amended budget is approved at Senate, the Treasurer will follow up with the requestor to inform them of Senate's decision and inform them of subsequent procedures. If a request is denied by Senate, the Treasurer will inform the corresponding parties of the decision. Students requesting funds should note that funds will be provided (whether as a reimbursement or advance) in a two-week period following the request and should plan in advance accordingly.
 - 5.2.1. If the person that has submitted a budget request either for a club or for their department is a current member of the Student Government Association, they are allowed to speak on the behalf of this request at the Senate meeting once the Activities and Clubs Committee has presented it. They will also be allowed to vote on the passing of said budget request along with the other Senators.
 - 5.3. Once the Treasurer has picked up the approved funds, he / she will send a notice to the recipients stating that their checks are ready. At this point it becomes the responsibility of the recipients to come at one of the times designated by the Treasurer.
 - 5.4. In order for any student to receive a reimbursement, he / she must provide the Treasurer with all receipts in a timely manner. Note that carte bleue tickets are not acceptable; the receipt must list every item purchased.
 - 5.4.1. To receive a reimbursement for expenses already made, the student must provide the Treasurer all relevant receipts before anything will be handed in to the accountants. It is the responsibility of the student to keep track of his or her receipts between the time

the money is spent and the time the receipts are given to the Treasurer.

- 5.4.2. To receive an advance funding for expenses not yet made, the student must provide the Treasurer any possible quotes, e.g. online store prices, a *devis* or quote from a merchant, etc. After the advance funding has been approved and the student has spent the funds, he / she is obligated to keep track of all receipts and to give them to the Treasurer as soon as possible. [PK1] If less money is spent than was accorded, the student must provide all the leftover funds to the Treasurer. If a student fails to give receipts and/or leftover funds to the Treasurer, the student's account will be blocked, barring him or her from receiving grades and registering for courses, among other penalties.
- 5.5. Once all documentation has been appropriately turned in, it is the obligation of the Treasurer to ensure that processing is completed in an orderly and timely manner. Students are expected to cooperate with the Treasurer if any complications or delays arise.
