Essential information for supporting
your student in Paris

www.aup.edu/parents-families

GET TO KNOW AUP Family Relations

Our goal in AUP Family Relations is to provide you with the resources and timely information you need to support your student.

This guide is your first stop for any questions you may have about the AUP experience or your student's time in Paris.

EMPOWERING STUDENTS

AUP highly encourages students to sit in the driver's seat of their own college experience. This begins by developing relationships with their families based on mutual trust, autonomy and responsibility. AUP will communicate with students first and foremost for all important updates. The best way to find out about your student is to ask them directly.

We recommend using the discussion topics featured in each section of this guide to start important conversations with your student about living and studying in Paris, and what the year ahead will entail.

STAYING CONNECTED

The Family Relations team provides year-round communication on the most important aspects of the academic year and acts as a link between you and campus. We communicate regularly with families via our website, email, newsletters, social media and events.

New students settle in to their life in Paris with Orientation and the help of their student advisors.	Life in Paris has so much to offer! New students are discovering their neighborhoods and Paris at large.	Clubs and programs are back in session. Extra-curriculars are key to making the most of AUP.	Fall is packed with beloved AUP traditions, like AUP Giving Day: Make Paris Possible and the Fall Festival.	Exam season has arrived. Students use reading days and campus resources to prepare for this important time.	After a restorative winter break, students return for a new semester in Paris.	During the first break of the semester, students often find time to travel throughout Europe and the world.	Mid-terms have arrived - a particularly busy time for students. Academic Advising is here to help.	Classes are quickly coming to an end. With final exams in view, students have a mini-break for extended studying. Students also plan next year's housing.	This month is packed with reading days and exams. Afterwards, we celebrate a new class of graduates!

Diversity & Inclusion

www.aup.edu/diversity

AUP is committed to creating an equal and inclusive learning space for all.

University policy prohibits discrimination on the grounds of sex, race, color, religion, national origin, age, disability, sexual orientation or gender identity. We encourage students to discover AUP's various programs, clubs and sources of support, including but not limited to:

AUP Diversity Council

Students, staff and faculty group to support community members and advise the President and Provost

AUP For Consent

A student group that educates students on consent and supports survivors of sexual harassment and assault

Guidance Counselors

Offering free, confidential counseling sessions and referrals to English-speaking therapists off campus

GenSex Club

A student group that addresses topics pertaining to gender, sexuality, sexual orientation and sexual health

Black & Abroad Club

A student group representing and advocating for Black students on campus

ReSisters Club

A student group that explores intersectional feminist concepts and advocates for gender equality on campus and beyond

FERPA

www.aup.edu/ferpa

AUP recognizes that the role of a student's family does not end once a student begins college. However, it is important to note that the US Department of Education developed the Family Educational Rights and Privacy Act (FERPA), **which states that once a student turns 18 or attends a school beyond the high school level, the university cannot release information about the student to anyone – even parents or other family members.**

FERPA's domain includes (but is not limited to) grades, disciplinary proceedings, billing and financial aid. While a parent or guardian understandably has an interest in their student's academic progress, they are not automatically granted access to the student's records without their written consent.

From the first day a student attends AUP, their records are protected by FERPA. At the beginning of each semester, as part of the check-in process, students will be asked to confirm or change their privacy settings and can change these settings at any time online. Once a student graduates, AUP will continue to respect the privacy settings last updated when the student was enrolled at AUP.

Academics

www.aup.edu/academics

While at AUP, students always have access to the academic support of our dedicated and talented faculty and staff. We encourage students to seek out these resources and to be proactive in shaping their own university experience.

REGISTERING FOR CLASSES

Newly admitted students register for classes before coming to Paris for their first semester at AUP. Returning students can find more information about the registration process for the following semesters online.

Learn more: www.aup.edu/how-to-register

THE CENTER FOR ACADEMIC, CAREER AND EXPERIENTIAL ADVISING (ACE)

The ACE Center is dedicated to serving and empowering students as they plan their academic and career pathways. It provides resources, information, and support to students considering further education, as well as counsel to those looking to begin their careers and develop professional skills.

Whether it's choosing a major, finding an internship or a job, or polishing up a CV, the advisors in the ACE Center are available to help.

ACADEMIC ADVISING

The ACE Center helps students choose degree programs, identify courses of interest and plan course schedules. Degree planning workshops, Junior Degree Checks, support for planning study abroad trips, and other services are all available to undergraduate students.

THE AUP DEGREE

FIRST YEAR SUCCESS (FYS) PROGRAM

AUP's FYS program gives first year degree-seeking students the tools and confidence to navigate their first year in Paris and university life, setting a foundation for their tenure at AUP and beyond.

The program pairs students with a Student Advisor and a Staff Mentor, and with the addition of dedicated FirstBridge Professors, students will experience a system of support and care to ensure they have the resources they need to succeed. Students will also take part in FYS workshops, social events and cultural excursions beginning at Student Orientation and continuing throughout the academic year.

Learn more: www.aup.edu/FYS

LEARNING DIFFERENCES

All students with learning differences or physical disabilities should reach out to their academic advisor and explore their options. Accommodations range from extra time for exams to tutoring and mental health support.

Learn more: www.aup.edu/learning-difficulties

GLOBAL MENTORING PROGRAM

Organized by Alumni Relations and the ACE Center, this, semester-long program pairs current students with AUP alumni mentors. The program is open to students with sophomore standing and above and is an excellent way for students to learn more about different professional industries. Each mentoring cycle begins at the start of the semester.

Learn more: www.aup.edu/global-mentoring-program

CAREER ADVISING

The ACE Center supports undergraduate and graduate students in developing professional skills and finding career opportunities during and after their time at AUP. The center regularly hosts career workshops on networking, building a CV, job hunting and more.

GLOBAL TALENT PORTAL

Students looking for internships can share a professional profile on AUP's Global Talent Portal. Here their profile and work will be visible to potential employers, all vetted by AUP. Likewise, if you want to hire an intern, please contact the ACE Center (ace@aup.edu) above for more information.

Learn more: my.aup.edu/global-talent-portal

INTERNSHIP PROGRAM

Internships enable students to explore their interests, develop their network, and gain the professional experience they need for life after graduation. However, internships in France are subject to various laws and policies. The ACE Center's internship office coordinates internship approvals and

registration requests for over 200 students a year and develops and maintains a network of French and international employers who hire from the University.

Learn more: www.aup.edu/internship-program

STUDY TRIPS

Registered students may sign up for faculty-led study trips to different locations in France, Europe and beyond. These cultural excursions can be stand-alone trips or part of a course curriculum. Alumni often reflect on these opportunities as the best part of their AUP experience.

Learn more: www.aup.edu/academics/cultural-program

COUP DE POUCE

The Coup de Pouce Fund was established to provide financial assistance to students whose academic programs integrate study trips. Eligible students can apply online.

Learn more: www.aup.edu/coup-de-pouce

DISCUSS WITH YOUR STUDENT

- When to reach out for academic help and who to ask
- Their plan for choosing a major, minor or program
- The importance of stress management

Health & Wellness

www.aup.edu/health

At some point during their time at AUP, most students will require support from AUP's Health and Wellness Team. The team provides both medical and mental health support and can guide students through the French health care system.

AUP HEALTH CARE PLAN

AUP offers a comprehensive health care plan that guarantees excellent medical coverage. Once registered, your insurance is included in your tuition. MSH International covers all basic medical costs as well as some alternative medicine.

This coverage includes eyeglasses, contact lenses, preventive dental treatment, alternative medicine such as chiropractic care, doctors who make house calls (SOS Médecins), up to 15 sessions a semester with a psychologist, and much more.

MAKING APPOINTMENTS AND FINDING MEDICAL PROVIDERS

AUP provides a list of English-speaking medical providers. Students can also use Doctolib to make appointments with other specialists in Paris.

Learn more: www.doctolib.fr

GUIDANCE COUNSELORS

Guidance counselors are available for free scheduled or drop-in sessions during regular business hours in the Combes Student Life Center. If necessary, counselors are able to refer students to English-speaking therapists off-campus. In addition, reimbursement up to €90 for psychiatrists and psychologists and up to 15 therapy sessions per semester are covered by the health care plan.

OTHER HEALTH SERVICES

Arranging appointments, prescription transferrals, and assistance in finding the right place to get medical tests, blood work, x-rays, STD testing, contraception advice and more

Guidance for the reimbursement process and requesting French social security

Helping students create their own DoctoLib account and teaching them how to book medical appointments

MEDICAL EMERGENCY CONTACTS 24/7

International SOS: +33 (0) 1 55 63 36 35

English-speaking staff and doctors who can make referrals, give you advice and call an ambulance. This is the emergency service provided in AUP's health coverage for all students.

Ambulance (SAMU): 15

DISCUSS WITH YOUR STUDENT

- Where to seek medical attention in case of an emergency
- How and when to use medical insurance
- How physical and mental health can affect academic performance
- How to maintain healthy habits while away from home
- Their plan for managing dietary restrictions and medication while in Paris
- The importance of sexual health, consent and healthy relationships

Safety & Security

www.aup.edu/campus-security

AUP takes the safety of its community and visitors seriously. Our security team monitors building entrances, and all members of the AUP community are requested to show their AUP ID card upon entering. Guests must be registered in advance of their visit and be accompanied by an AUP community member while inside campus buildings.

Information on emergency procedures and crime reporting is available at the URL above and is included in the University's various information pamphlets, which are available at each security desk.

ID CARDS

Students are required to use their AUP ID card to access campus buildings. Students are issued one ID card every year at no cost. Replacements are available through the Office of Student Development.

EMERGENCY RESOURCES

AUP supports all students in the event of any emergency or incident. Students wishing to report an incident on or off campus should contact the Student Development Helpdesk at studentdevelopment@aup.edu or at the number listed opposite during business hours.

DISCUSS WITH YOUR STUDENT

- What to do in an emergency and who to call
- Making smart choices and staying alert while living in a big city
- Creating a safe home (locking doors, making guest policies with roommates)
- How to signal a dangerous situation and who to tell

Immigration

www.aup.edu/immigration

Navigating the requirements of French immigration can be tricky. AUP's Office of Student Immigration Services (SIS) assists students with immigration procedures and helps turn a potentially confusing process into an orderly and painless one.

TITRE DE SEJOUR

All students must maintain a valid residency permit for the entire period of their studies at AUP. For those students who are not EU citizens, this means acquiring a *titre de sejour* (residency permit).

SIS regularly sends all returning students the necessary instructions on how to acquire and renew this permit. Students can also send immigration questions to sis@aup.edu. It is important that students read and respond to all emails from SIS in a timely manner. Putting off renewing a *titre de sejour* can pose many logistical problems for students and their families.

THE SIS OFFICE CAN HELP STUDENTS:

Confirm the expiration date of a *titre de sejour* or student visa (VLS TS) and confirm the residency application start date for minors

Secure an appointment either before, during or after the summer holidays (SIS remains open and available to students all summer)

Advise on the date by which a student should return to France prior to the expiry of their *titre de sejour*

Assist with documents needed for the acquisition or renewal of their *titre de sejour*

Accounting

www.aup.edu/sas

STUDENT ACCOUNTING SERVICES

The Office of Student Accounting Services (SAS) is responsible for billing and the collection of tuition and fees.

Tuition payment plans are available. Unless other arrangements have been made, tuition is due in full by July 1 for the Fall semester and December 15 for the Spring semester.

FINANCIALLY RESPONSIBLE PERSONS

Students and Financially Responsible Persons (FRPs) will receive reminders about billing statement deadlines and reminders about upcoming tuition payments. Please note that any class registration changes may impact tuition charges. If you, another family member or your student are listed as an FRP, that person can visit the URL noted in SAS's communications to learn more about payment deadlines, how to make payments and balances due.

Life in Paris

www.aup.edu/student-life/paris

The first step to settling into life in Paris is a French bank account, which is required for renewing a student visa, obtaining a cellphone contract and for paying bills like rent and electricity. We advise all students planning to stay in Paris for more than one semester to open a bank account. The Office of Student Development can guide your student, upon their arrival in Paris, through the process of opening an account with our banking partner.

BANKING: FAST FACTS

Opening a French bank account can take up to four weeks. Following up with the bank is a part of this process.

The Office of Student Development can guide your student throughout the process of opening an account with our banking partner.

Wiring money is the fastest way to receive money from outside of France. You can either transfer money to your French bank account using the IBAN/BIC information from your RIB, or wire money using Western Union, TravelEx Moneygram, or Wise.

Learn more about student banking at: www.aup.edu/banking

PUBLIC TRANSPORTATION

While Paris is a highly walkable city, students may find it more convenient to use the metro, train, bus and tramway systems. Student pricing for transportation are significantly less than the standard ticket fare. Please have your student reach out to the Student Development Helpdesk for assistance in obtaining their student transportation card.

MOBILE AND INTERNET PROVIDER

Free Mobile is an inexpensive phone and internet provider. No contract commitments are required, meaning that you can cancel your contract at anytime without penalty. When your student leaves AUP, they will need to cancel their cell phone contract. The Student Development Helpdesk can assist them with this easy process.

During Orientation, students will be taken by their student advisor to the Free store to get a sim card for their phones. These plans can be set up with a credit card and canceled anytime.

DISCUSS WITH YOUR STUDENT

- How to use public transportation
- Personal safety and staying aware of one's surroundings
- Walking with friends/groups or using the "buddy system"
- Who will pay for daily life expenses (food, public transport, etc.)

Residential Life

www.aup.edu/housing

FIRST-YEAR STUDENTS

First-year students are required to choose an AUP housing option, whether it is in one of our own residences or through one of our selected partner apartment-hotels and French student residences. Both AUP and Partner residences offer students a living experience with their peers, supported by the housing office and on-site staff that can help guide them through their transition to Paris. Incoming transfer and study abroad students can opt into AUP housing options, or secure housing independently.

RETURNING AND GRADUATE STUDENTS

The Office of Residential Life also supports returning undergraduate students and graduate students in their search for housing by providing a database of available apartments owned by local proprietors. In addition, housing staff members will make an effort to provide additional information about potential housing options to students choosing apartments remotely.

SUPPORT STAFF AND AVAILABLE RESOURCES

The Housing Office can help you understand the resources and amenities available in your residence, assist you in troubleshooting maintenance issues, guide you through solving potential conflicts and issues with roommates and neighbors, and generally promotes community among residents.

On-site staff in partner residences are available to provide general support and assist with maintenance issues.

Resident Assistants are the on-site resource in AUP residences, and can assist with general guidance on the Paris and AUP experience, communicate issues to the housing office, and organize programs and community events in the residence.

Residence Representatives are advocates for their community in Partner residences, and assist the office in organizing programs and community events in their residences.

MAIL

Each AUP student has a personal university mailbox in the Saint-Dominique building. Students will also have access to a mailbox in their apartment, though the ability to receive packages may vary.

STANDARD STUDENT ADDRESS:

Student Name & Mailbox Number
c/o The American University of Paris
16 passage Landrieu

INTERNATIONAL SHIPPING

International shipping can quickly become complicated and expensive. There are restrictions on what can be shipped to France from the US. Please consult www.aup.edu/USPS for more details. Customs charges may also apply to packages arriving from outside of the EU. Rather than shipping forgotten items from home, we recommend that students purchase everyday necessities like hair dryers, fans, coffee makers, as well as most toiletries and home goods, in Paris. Learn more: my.aup.edu/what-to-bring

DISCUSS WITH YOUR STUDENT

- Living with roommates and sharing space with others
- How to manage conflict and when to ask for mediation
- Managing noise levels in apartments and respect for neighbors
- Utilizing Residential Assistants (RAs)

Student Life

www.aup.edu/student-life

Outside of the classroom, students have access to a wide range of clubs, events, study trips and cultural excursions, leadership opportunities, and much more. Exploring these opportunities can help students craft a meaningful experience at AUP while developing skills for their life post-graduation.

EVENTS AT AUP

University events open to the public are listed on AUP's calendar. Family members are welcome to attend virtual and in-person events open to the public.

Students can also access AUP Engage, the student platform for all extracurricular activities on campus. All student organizations, campus events and volunteer opportunities are posted on this platform.

Learn more: www.aup.edu/news-events

STUDENT ORGANIZATIONS AND VOLUNTEERING

Student organizations are active on campus year-round. From the Student Government Association to the Global Mentoring Program, there is something at AUP for every student. All student organizations and volunteer opportunities are posted on AUP Engage.

DISCUSS WITH YOUR STUDENT

- Finding and building community on campus
- Balancing academics with social life
- Getting involved with clubs/organizations and trying new things
- Ways to give back to their community

STUDENT ADVISORS

The Office of Student Development appoints Student Advisors to welcome new students and work with them throughout their first semester.

These advisors accompany new students throughout Orientation and will check in on their advisees several times throughout their first year. Advisors are available to answer questions, connect students to relevant campus services and update them about student activities.

Students are eligible to become student advisors in their second year at AUP. All those interested should contact the Office of Student Development at studentdevelopment@aup.edu.

SPORTS AND WELLNESS ACTIVITIES

All AUP students are invited to join a range of sports and fitness programs. The Office of Physical Activities and Self-Care also works with students interested in forming new teams.

Competitive Sports

Basketball, equestrian, futsal (indoor soccer) and volleyball

Non-Competitive Groups & Amenities

AUP Dance, rowing, running, wellness room for meditation, and yoga

Off-Campus Amenities

AUP offers discounted memberships to over 30 gyms around Paris.

GPS Program

www.aup.edu/gps

GLOBAL PROFESSIONAL SKILLS PROGRAM

AUP's Global Professional Skills (GPS) program is open to all undergraduate students. It provides students with the opportunity to sharpen important professional skills via academic, professional, and experiential learning opportunities. To successfully earn a GPS certificate, students must complete a series of workshops and activities connecting their academic experiences with co-curricular opportunities to develop post-AUP personal and professional pathways.

GPS SENIOR PROJECT

The program culminates with the development of a GPS Capstone, the development of a personal narrative which is designed, in the words of AUP's mission, "to challenge [students] to master and to make, to reflect and to apply, and to analyze and to act in hands-on, real-world settings." Graduating seniors present their narratives at the GPS Panel Presentations, a public speaking competition, and the finest presentations are eligible to win the Danielle Savage GPS Award at the annual GPS Award Ceremony.

AUP Alumni

www.aup.edu/alumni

It's never too early for students to start thinking about their future after AUP. Whether your student is seeking a four-year degree, or just visiting AUP for one semester, they will have lifelong access to various alumni benefits, programs and opportunities.

ALUMNI BENEFITS

Access career workshops hosted by the ACE Center

Continued use of the AUP Library and its online resources

Invitations to events, workshops, lectures, programs, regional chapters, interest groups and more

A GLOBAL COMMUNITY

AUP alumni live and work across the globe, creating a uniquely diverse and interconnected community. AUP Alumni Affairs regularly hosts events, reunions and workshops so that no matter where you go, you're never far from the AUP family.

www.aup.edu/parents-families

THE FAMILY CAFÉ SOCIETY

This open society offers AUP families the opportunity to engage with one another across locations and time zones, uniting for social events and volunteering opportunities with the University. The society will meet four times per year virtually, and is open to all parents, guardians and family members.

Members will also be invited to meet with University leaders, act as fundraising advocates, and offer insights to prospective AUP students and families as they begin their AUP journey.

Learn more: www.aup.edu/cafe-society

COMMUNITY EVENTS

The Office of Development and Alumni Relations regularly organizes social and informational events for our global community, including coffee hours, guest speakers, authentic Parisian cooking classes and more, both virtually and around the world. Visit our homepage to find all upcoming parent and family events.

Family Philanthropy

www.aup.edu/giving

AUP FAMILY GIVING

Donations from AUP's global community play an essential role in supporting the University's students, faculty, research centers, campus and programs. Gifts of all sizes make a difference, and no matter the size of the gift, donors can choose to support the initiatives most important to them, or designate that AUP put their funds toward its most needed areas.

Family Giving is a meaningful way to enrich the student experience across campus, and ensures students receive the support they need.

To learn more about how to make a gift, please contact our team at advancement@aup.edu.

Make a gift today: www.aup.edu/giving

BECOME AN ADVOCATE

Every year, the AUP community unites for special Giving Days and fundraisers to support a different area of the University. On such occasions, family and alumni advocates play a major role in helping AUP reach its fundraising goals.

If you would be interested in volunteering as an advocate for future fundraising activities, please contact advancement@aup.edu.
